

Illinois Law mandates DUI offenders undergo a DUI evaluation to determine the likelihood of being caught driving under the influence in the future. Anyone required to have a DUI evaluation will not be sentenced until the evaluation is complete and a report is submitted to the judge overseeing the case.

### DUI Evaluation

DUI evaluations are needed per the Illinois Secretary of State before offenders are given a restricted driver's license or have their full driving privileges reinstated.  
Evaluation Cost: \$175

### Risk Education Classes

With the support of trained professionals learn about the legal, physical, and emotional ramifications and dangers of drinking or using substances when driving. You'll learn new skills to prevent behaviors in the future.

With C4 Evaluation \$31.25  
Without C4 Evaluation \$40.00
